

Welcome to Mayfield Woods!

The staff of Mayfield Woods Middle is focused on working with students and their families to promote positive behavior in all school and community settings. We have four school rules which are reinforced daily.

Be Safe
Act Responsibly
Respect Self & Others
Keep Focused

We believe that compliance with these rules will allow our students the opportunity to learn in a safe and nurturing environment.

Consequences for Inappropriate Behavior

Students have been taught the school rules for classroom and non-classroom settings. If a child does not follow one of the school rules, the following procedure is followed:

1. General Verbal Warning with reminder about appropriate behavior.
2. Individual Verbal Warning with reminder about appropriate behavior.
3. If the behavior does not improve, teachers may assign lunch detention (look for a sticker in the agenda book indicating lunch detention has been given), call home, send the student to another classroom, or refer the student to the office.

*Certain actions such as fighting, use of inappropriate language, possession of contraband or weapons, harassment, bullying and threats warrant immediate administrative involvement.

Mayfield offers a variety of incentives that the students can earn by following BARK.

Students who are following the school rules in the various locations of the building will earn Dog Bones.

- Dog Bones are given by staff to students to acknowledge individual positive behavior.
- Once received, the Dog Bones can be used for a variety of reinforcers such as: classroom privileges, raffle bags, weekly random Dog Bone drawings, and school-wide incentive days.

School-Wide Incentives

- Friday Dog Bone drawings: Students enter dog bones into a drawing that is held every Friday. Both the student and the teacher who handed out the dog bone are announced and receive a prize.
- Grade level raffle drawings: Students can enter their dog bones into raffle drawings for gift cards, activities, and special lunches with staff members.
- Grade level incentives for days without office referrals: Each grade level has the opportunity to earn extra recess or special lunch snacks.
- School wide incentive days: Three times a year students can use their dog bones to buy in to a variety of activities or to buy snacks.

Q&A

How is this program different from other school behavior programs?

- Routines and language with respect to appropriate school behavior are consistent throughout the school.
- The program is focused on acknowledging students for consistent positive behavior.
- Appropriate student behaviors are acknowledged in the classroom, within the team and by the school.
- Teachers are acknowledged for recognition of positive student behavior.
